accelerate
6-9 February 2023 · LISBON, PORTUGAL

MONDAY 6 FEBRUARY

Q1 9:00AM - 10:30AM	Q2 11:00AM - 12:30PM	Q3 2:00PM - 3:30PM	Q4 4:00PM - 5:30PM
Opening session	Component & canvas accelerator: Introduction to ODA components and canvas and accelerator kick-off	Component & canvas accelerator: component specification	
		Component & canvas accelerator: component conformance	
		Component & canvas accelerator: canvas specification	
	Open APIs & data model accelerator: introduction session		Open APIs & data model accelerator: spec jam
			Open APIs & data model accelerator: architecture strategy workshop
	Zero-touch operations joint session		Autonomous networks
	Inclusion and diversity score accelerator		
	Beyond connectivity - concept to design, derisking value creation workshop		

TUESDAY 7 FEBRUARY

Q1 9:00AM - 10:30AM	Q2 11:00AM - 12:30PM	Q3 2:00PM - 3:30PM	Q4 4:00PM - 5:30PM
Component & canvas accelerator: component specification		Component & canvas accelerator: Components, eTOM, SID & functional framework model & mapping	
Component & canvas accelerator: component conformance			
Component & canvas accelerator: ODA security and privacy		Component & canvas accelerator: canvas specification	
	TM Forum collaboration & member experience		
Open APIs & data model accelerator: spec jam			
Open APIs & data model accelerator: architecture strategy workshop			Open APIs & data model accelerator: Open APIs and MODA
Autonomous networks	Measuring and managing autonomy		AIOps
	Driving new customer experiences		
Inclusion and diversity score accelerator		Inclusion and diversity score case studies	
Business assurance and eTOM (Session 1 & 2)		Business assurance - maturity model (Session 1 & 2)	
Beyond connectivity - concept to design, derisking value creation workshop			

WEDNESDAY 8 FEBRUARY

Q1 9:00AM - 10:30AM	Q2 11:00AM - 12:30PM	Q3 2:00PM - 3:30PM	Q4 4:00PM - 5:30PM
Component & canvas accelerator: component specification			
Component & canvas accelerator: component conformance			
Component & canvas accelerator: canvas specification			
	TM Forum collaboration & member experience	Digital twins coordination (cross-team)	
Open APIs & data model accelerator: spec jam			
Open APIs & data model accelerator: architecture strategy workshop			
Decision intelligence		Closed loop automation	
The future of human factor Kick-off		Inclusion and diversity score case studies	
Business Assurance - Asset Assurance (Sesson 1, 2, 3)			
Beyond connectivity - concept to design, derisking value creation workshop			

THURSDAY 9 FEBRUARY

Q1 9:00AM - 10:30AM	Q2 11:00AM - 12:30PM	Q3 2:00PM - 3:30PM	Q4 4:00PM - 5:30PM
Alignment of ODA components and Open APIs	Component & canvas accelerator: 2nd generation component specification template	Component & canvas accelerator: wrap	Wrap session
Component & canvas accelerator: canvas specification			
Open APIs & data model accelerator: spec jam		Open APIs & data model accelerator: wrap	
Alignment of ODA components and Open APIs	Open APIs & data model accelerator: architecture strategy workshop		
Accelerating R&D - Catalysts 2023	Catalyst open mic & ideation	Catalyst ideation & ask us anything	

KEY

- ODA, Components & Canvas
- Open APIs & Data Model
- AI, data & insights
- Beyond connectivity
- Human factor
- Catalyst
