INNOVATE24
ASIA

At TM Forum, now more than ever we believe our industry needs strong leadership.

The Executive Network 100 (TEN100) is a new dynamic year round program, designed to unite the most influential leaders from across the telco and tech sectors to drive real change. Bringing together executives and experts, TEN100 creates a platform for private strategic discussions and breakthrough thinking that drive the Forum's industry agenda and shape the future of our connectivity business.

Join us in
Bangkok from
November 4-7
to experience the
impact of TEN100
in-person.

Innovate Asia Program

Centara Grand at CentralWorld, Bangkok

Monday, 4 November

TEN100 Executive Dinner

7:00PM - 9:30PM Location: TBC, Bangkok

Tuesday, 5 November

TEN100 Industry Roundtable

11:45AM - 1:45PM Location: Centara Grand at CentralWorld, Bangkok

The Roundtable will explore key industry topics and build on the dynamic discussions from our global summit, DTW24 Ignite. This is a chance for leading voices in regional innovation to shape the future of connectivity in Asia. Held under the Chatham House Rule, the event promises candid and confidential discussions among industry leaders and experts.

Details to follow.

Tuesday, 5 November and Wednesday, 6 November

Leading the Autonomous Network Revolution

Live Conference Sessions: Immerse yourself in comprehensive content across our 3 key missions. Gain valuable insights, diverse perspectives, and actionable knowledge from leading speakers throughout the region.
